Dear Members of Bethesda,

Greetings in the name of our heavenly Father Almighty. He who created the whole world and to what we are followers.

How are doing? I am very much sure that he is pouring his blessings to you relatively. I and my family (Baba Dorcas, Dorcas, Yohannes, Viola, Angle and Jeremiah) are fine.

I'm very delighted to share with you the following:

Firstly, my examination results of Semester II were as following:

Marketing Research: A, Development Studies: A, Entrepreneurship development: A, Financial Management: B and Quantitative Measurement: C.

Secondly, I have been studying computer, two programs (Microsoft Word and Excel). I am going to sit for examinations on these two programs on 2nd October 2007.

Thirdly, as from 3rd October I will be doing my field work and research in Mwanga District in one of work bank organization known as TASAF (Tanzania Social Association Fund) It is a rural development project helping rural people in building hospitals, roads and schools. Field work will take 4 months.

I still remember the fund you sponsored me. I always pray for you that may Lord, Jesus Christ pour his blessing to you all.

With love and peace being with you,

Is your beloved daughter, Mama Dorcas
